9. Select Save and display

A screenshot of a settings form with several expandable sections: Appearance, Extra restrictions on attempts, Overall feedback, Common module settings, Restrict access, Activity completion, Tags, and Competencies. At the bottom of the form are three buttons: 'Save and return to class', 'Save and display', and 'Cancel'. A red arrow points to the 'Save and display' button. Below the buttons, a message states: 'There are required fields in this form marked [red icon]'.

10. Go back up to gear in the upper right corner

11. Select Turn editing off

A screenshot of a course page. At the top, there are four statistics: 0 ENROLLED STUDENTS, 0 STUDENTS COMPLETED, 0 IN PROGRESS, and 0 YET TO START. Below these is a section for 'Adobe Premiere CC' with a description and the MSi logo. On the right side, there is a settings menu with a gear icon at the top. The menu is open, showing options: Edit settings, Turn editing off (highlighted with a red arrow), Class completion, Filters, Gradebook setup, Backup, Restore, Import, Reset, Repositories, Published as LTI tools, Recycle bin, and More... At the bottom of the page, there is an 'Announcements' section and a link to 'Add an activity or resource'.
